Saint-Lambert, QC J4P 1S4

Dear Valued Sponsor,

On **Friday, April 5th, 2019**,  
Saint Lambert Elementary  
School will be holding its **16th annual KIDS' CUP**.

Partie de hockey 2019 Hockey Game  
École Primaire **St-Lambert** Elementary School

Our parents, teachers and alumni will be playing a fun-filled hockey game against the “**CBC Media No-Stars**” at the Eric Sharp Arena in Saint Lambert.

Saint Lambert Elementary is well known for having a strong, community-oriented student population; it was, indeed, one of our students who started the increasingly popular annual “wave” against bullying which quickly spread to include other schools in Saint Lambert.

The Kids' Cup is our only fundraising event that allows us to invest in every aspect of our students' school life; this includes technology, physical education, the arts, music and a larger scale 'special project' that would not otherwise be possible within the regular budget. All of the students benefit from the funding. Some previous special projects have included a play structure, a synthetic turf playing field, a new floor for the stage and lighting equipment.

Last year's fundraising will be used to create an outdoor classroom area. Previous fundraising is being used toward yard improvements, including lines and a basketball net.

Supporting the Kids' Cup is an investment in the community - in your community - and sustains the overall development of our children. Your participation will be very much appreciated.

All attendees, numbering 800-1000 guests annually, are made fully aware of the importance of your contributions and will receive a souvenir program that highlights your contributions. Your contributions help defray the costs of the event, thus ensuring the success of this fundraiser.

Sponsors also benefit from additional advertising on our website.

We would be honoured to count you amongst our supporters and invite you to visit our website ([www.kidscup.ca](http://www.kidscup.ca)) for more information about how you can sponsor or contribute to our event through advertising or donations.

If you have any questions, please do not hesitate to contact us at [kidscupcmte@gmail.com](mailto:kidscupcmte@gmail.com).

The excitement surrounding this event builds both school and community spirit and provides an excellent opportunity to enrich the lives of our children.

We hope we can count on your support!

Sincerely and with thanks,

*Marie Michelle Johnson*
